NERVOUS ATTACK FOLLOWS THE GRIP

A California Woman Tells How the Tonic Treatment Cured Her.

Nervous troubles that result from an acute attack of the grip are not always traced to their true source but too often authority than Dr. Osler states that almost every form of disease of the nervous system may follow influenza.

Depression of spirits and melancholia are frequent after-effects of the grip, as illustrated by the case of Mrs. Wm. C. Hull, who lives at Melrose, but whose address is No. 205 Clay street, San Francisco, Cal.

"After a severe attack of the grip a few years ago," she says, "I began to suffer from nervous prostration. For three years I was a nervous wreck and was confined to bed during all of that time. It is hard to describe my suffering. I was completely exhausted and had no strength. I felt as though I would never get well. I could not get much sleep and would cry a great deal. When friends called on me I could brace up only for a short time when I would collapse."

"I was living in Gilroy and was treated by three doctors. They gave me only temporary relief and said I was suffering from nervous prostration. I was completely discouraged until I began using Dr. Williams' Pink Pills. After a short trial I was surprised to find how much good they were doing me. I gained in flesh and strength and kept on improving until I was cured. I felt twenty years younger. Dr. Williams' Pink Pills are my only doctor now and whenever I don't feel just well, I take a few doses of the pills and they always help me."

Dr. Williams' Pink Pills are guaranteed to be safe and harmless to the most delicate constitution. They contain no morphine, opiate, narcotic, or any thing to cause a drug habit. Owing to their blood-building property they are invaluable in the treatment of such diseases as anemia, green sickness, rheumatism, and the after-effects of fevers.

A helpful booklet, "Diseases of the Blood," giving more information about the remedy will be sent free on request.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

SECRETARY SUED FOR GOOPLY SUM

Official of Territorial Board of Immigration Is Under Fire in Court.

(From Wednesday's Advertiser.)

The territorial board of immigration possesses a second secretary who draws compensation for his services amounting to \$150 a month, and a reminder came yesterday in a suit filed by May K. Brown in the circuit court, wherein the salary was attached by a garnishee.

The second secretary is John S. Walker, his particular place in the suit being the uncomfortable position of defendant. He has been asked through the courts, to pungle up the sum of \$548.75, which the papers declare is due the plaintiff on a promissory note. A. M. Brown is acting as the attorney for the plaintiff.

Auditor Fisher, "through whom defendant is accustomed to drawn said salary," is made the garnishee.

Court Notes.

J. F. Brown, Charles T. Wilder and James A. Thompson have been appointed appraisers by Chief Justice Hartwell in the condemnation suit of the O. R. & L. Co. against Dr. John S. McGrew. The suit petitions the condemnation of the interest of Noa W. Aluli in land needed for relocation.

H. C. Carter, successor in trust to Joseph O. Carter, has discontinued the suit brought by the latter against the Pacific Hardware Company.

Harriet K. Beringer yesterday filed papers in the circuit court discontinuing the suit for divorce instituted by her against Frederick Beringer.

Annie A. Owen has filed suit in the circuit court against Fred Owen, her husband, for divorce. She alleges cruelty and non-support.

Kalei Furst was yesterday granted a divorce by Judge Robinson from John Furst on the grounds of non-support.

Kawahara, the Japanese tried in the federal court for a violation of the Edmunds Act, was acquitted by the jury yesterday. He was immediately taken into custody again on another indictment.

The Hawaiian Trust Company yesterday filed its third annual accounts under the deed of trust from James and Uwini Auld. It charges itself with \$7836.29 and asked to be allowed \$7836.29, leaving a balance of \$26.88 due the trustee.

RUSSIANS NOW OUT OF QUARANTINE

The time fixed for their detention at the federal quarantine station being up yesterday, the Russian immigrants were released from the island and brought back to the city yesterday afternoon.

They were brought over the city in barges and turned over again to the territorial board of immigration and will probably be looked after by the labor agents of the sugar planters' association today.

KING MAX FACES SUIT FOR \$23,000

Charged With Violation of the Contract Labor Laws and May Pay High.

Whatever action will be taken in regard to the violation of the bird reservation laws by the twenty-three Japanese captured by the revenue Thetis, a suit will be instituted against Max Schlemmer for the violation of the federal contract laws, and will be first connected with this incident.

Schlemmer, by his own admission, brought the men down to carry on work for him on Laysan, Laysianaki and other islands in the Hawaiian archipelago, presumably, according to him, the collection of guano. Just under what terms he employed them will not be known until the suit is filed by the government in the federal court, probably this morning, but they were undoubtedly sufficient to get him into trouble.

Providing he is convicted of the charge, Schlemmer faces a fine of \$23,000. For each man that shall be brought into the country from another foreign country under contract to perform certain labor, the government can claim \$1000. Schlemmer brought in at least twenty-three men. Whether he employs more or not is not known and he will probably have trouble enough in explaining his connection with those whom the Thetis captured. The suit was drawn up yesterday, but too late to file.

WHAT THE KIDNEYS DO

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

James C. L. Armstrong, Nuuanu Valley, Honolulu, Hawaii, says: "I was a sufferer from kidney trouble for three years and Doan's Backache Kidney
